Overnight Policy

- **EVERYONE STAYING WITH HBA OVERNIGHT MUST BE OFFICIALLY REGISTERED WITH BOTH RAGBRAI AND HBA - NO EXCEPTIONS.**
RAGBRAI only provides overnight hosts' liability coverage for guests whose wristband #s have been pre-submitted to the host town Housing Committee.
- We probably have sufficient indoor space, but space may get tight in some churches. If you'd enjoy tenting in the church yard, let me know.
- We have permission to bring bicycles inside at all overnight locations.

Morning Loading

- Each day we will load the truck before 8:20 and the truck will leave at 8:30.
- Before leaving each morning:
 - Police your sleeping areas, carry out garbage and newspapers
 - Leave each room as you found it. When RAGBRAI passes through again, we want to be welcomed.
- **PLEASE DON'T LEAVE CLEAN-UP AND SET-UP TO THE TRUCK DRIVER!**

Overnight Host Arrival

- **The trucker shall make first contact with the overnight host church.**
- He makes a good first impression and has the best overall understanding of our group's needs.
- Earlier arriving riders must wait to get their instructions from the trucker.
- Busy overnight host contact persons should not be asked to explain the facilities to more than one person representing HBA.

There is work to do at each overnight host location. Pitch-in and help.

- setup clothes lines and showers
- fill the shower bladders
- mix Gatorade
- unload the truck.
