

Participation on the HBA Bus

- **This page is under development – please check back in a few weeks (modified Dec 12, 2008)**

Note: completing the [on-line Des Moines Register form](#) does not automatically get you a wristband and HBA accommodations. On-line registration eliminates a lot of paper shuffling and postage expense. The club is allotted 60 rider wristbands and those are given as described in the bus application rules. Those who went last year automatically have their seats available to them until February 15.
