Hawkeye Bicycle Association (HBA) was established in 1971 to promote bicycling and safety in the Cedar Rapids Metro area.

Bicycling enthusiasts join HBA for a variety of reasons – some want to have someone to ride with – others want to learn the basics of cycling safety and help support bicycling legislation – others join for better health and well-being.

Touring and Leisure Riding

- **Saturday Rides** – Ride leader rides at back of group – shorter miles – slower paced – family oriented – normally includes a breakfast stop
- **Sunday Rides** – Faster paced – longer miles – may include a breakfast stop
- **Wednesday Evening Rides** – Check website for starting points – shorter ride – no ride leader
- **Leisure Rides** – riders stay in a group and ride short distances at a leisurely pace – often involves a trail ride
